**Jeff was terrific.** His level of professionalism and attention to detail was impressive. He struck the right balance of taking the initiative and being collaborative. It isn't always easy to find a people that are professional, polite, and know their craft. Jeff checked the box on all the above. I look forward to working with him again in the future.

**Jeff was wonderful to work** with at my company's recent leadership conference! We were in a bit of scramble to find a photographer and Jeff gladly jumped into the shuffle with us and delivered exactly what we were looking for. I would highly recommend booking Jeff for your next event for a smooth and easy experience with top-notch results.
